R. B. GRIFFITH DIES AT FT. WORTH

Death Caused by Diphtheria—Burial to be at Greenfield.

Dr. Woods received a telegram Monday announcing the death of R. B. Griffith, former owner of the Jasper News. Death occurred that morning at Fort Worth, Texas, where Mr. Griffith had been ill about two weeks with diphtheria and complications.

Mr. Griffith sold The News here 11 years ago and was employed in newspaper work several years thereafter over the central and western states, finally going to Texas. He owned a paper for a while at El Paso and then went to Breckenridge, but for some time past he has been sporting editor of the Star-Telegram at Fort Worth. He was about 40 years old.

His wife, who was the daughter of Mrs. H. F. Hughes of Carthage, died 16 months ago. His mother resides in Greenfield, also one brother, Arthur Griffith, who is editor of the Greenfield Vedette. The late Phil Griffith, who was widely known in Missouri newspaper circles, was publisher of the Greenfield Vedette, and the brother whose death has just occurred in Fort Worth, was associated with him on that paper for two years. In addition to the foregoing relatives, deceased leaves two other brothers, Robert Griffith of Wash. D. C., and the other living in El Paso, Texas.

The funeral will take place at Greenfield today or tomorrow. Dr. and Mrs. Woods will attend the funeral.

HIGH SCHOOL CLASS REUNION.

The Jasper High School Class of 1916 held a reunion at the home of W. D. Wood Tuesday evening. Every member of the class was present with the exception of Mrs. Nell Hughes Cochran and Harold Carr. Most of them were present with their respective husbands, but the boys in the class have thus far, to a man evaded the entanglements of matrimony. The evening was spent very enjoyably reviewing the old high school days and relating events in the lives of each member as they have occurred since those days. The class hopes to make this an annual Christmas time gathering, and if they are all as enjoyable as this one was it will be an affair well worth while.

The class members present were Mrs. Velma Mackey Schooler, Mrs. May Wood Lippencott, Miss Florence Stratton, Mrs. Martha Curtis Webb, Mrs. Hazel Carter Earl, Dennis Steiner, and Mendel Drake.

Burgner-Bowman Lumber Company.

The year is drawing to a close and we respectfully ask all parties having accounts with us to make arrangements for payment not later than December 20, if possible to do so, as our contract with the company calls for payment of accounts this month. We extended you credit as a matter of accommodation and to help you. Turn about is fair play. Will you show that you appreciated the favor by helping us at this time?

I will also consider a prompt settlement as a personal favor, as a large number of unpaid accounts would lower my rating with the company.

Jay Good, Manager

Happy New Year

To our friends and customers: We extend to you a Happy New Year Greeting. We appreciate your business, we are not forgetful of our old time customers who gave us their patronage when we needed it so badly.

This week we are invoicing our stock of hardware to see whether we are getting on higher ground or sliding down hill.

We believe January 1 is a good time to balance the ledger. If we owe any debts we expect to pay up that day. If it is coming our way we won't refuse it.

Come see your humble servant,
